

Volunteering in Environmental Education and Conservation

Where: Kapraluv mlyn, Brno, Czech Republic

When: 6 and 12 months placements 2015-17

Who: open-minded character between 18 - 30

Kapraluv mlyn is a Scout Environmental Education Centre that offers educational programmes for youth. The house has got cool eco-friendly operation.

It is located in the Moravian karst protected landscape area. Although it is surrounded by wonderful nature, rocks and caves, it is just 20 minutes by bus to the downtown of Brno, second largest city in the Czech Republic.

EUROPEAN VOLUNTARY SERVICE

We search for:

volunteer who

- is interested in nature and work with youth
- has sufficient level of English
- is willing to work 7h per day in various activities including manual work in the operation of an eco-centre

We offer:

opportunity to take part in development of a scout eco-centre

- team of young people (3 other volunteers from different countries, many others in Brno)
- accomodation in a brand new eco-friendly family house with other volunteers
- pocket money, food, travel costs, a language course and sim card: together of aprox. 400 euro per month
- covering travel costs from your country
- know-how of an eco-centre operation, nature conservation and eco-programmes for youth
- opportunity to conduct your own personal project
- educational programme for you - professional development

Appart from environmental education you will also work in kitchen, at garden, in a small gift shop and info centre plus take part in everyday operation of the centre.

There is vacancy for 3 volunteers from Poland throughout the project. To apply send your CV and motivation letter to volunteer@kapraluvmlyn.cz. If you have any questions do not hesitate to ask.
