

## Scouting Centenary Hike LITHUANIA

A big occasion is waiting ahead for the Lithuanian scouts in 2018 - a 100 year anniversary of the Scout movement establishment in Lithuania. Members of *Lietuvos skautija* (Lithuanian Scouting) are already waiting for the new adventures and will start the Centenary events in 2017. The Scouting Centenary Hike will stand as the bridge and kick-off the celebrations in the summer of 2017. Our international friends are invited to join and celebrate together!

The participants of the event will discover the beauty of Lithuania's nature and start their journey at the historical road of *Panemunė*. Here they will have an opportunity to meet one of the best adventures of lifetime – travelling the world. Not only it will enlarge their worldview but also challenge the limits and enrich with a new knowledge. All of the participants will have a chance to know themselves better and collect all the memories of joy and kindness.
