Open Call for Path Leaders**

Creating a Better World

Rover Centenary Paths

Scouting started in 1907 with what is now known as the Scout section, which was followed by the establishment of the Cub Scout section in 1916. During World War I, the need for a Scouting Programme for young adults arose, leading to the formation of the Rover Scout section in 1918. The term "Rover Scouts" was first mentioned by Baden-Powell in The Boy Scouts Head Quarters Gazette in August 1918.

Baden-Powell wrote a handbook for the new section, *Rovering to Success*, which was published in 1922. It contained his philosophy for a happy adult life as well as ideas for activities that Rover Scouts could organise for themselves. The Section celebrated its 21st year at the 3rd World Rover Moot in 1939.

Following the decision to celebrate the Rovers Centenary in 2018, which was made during the World Scout Committee meeting in March 2017, the European Scout Region, in partnership with Scouting Nederland, has decided to organise 10 Paths dedicated to an energetic and fantastic celebration of the Centenary next year.

We are currently looking for 20 Path leaders to design and lead these 10 paths! This is a unique opportunity to make an impact in the lives of many young people, so form a team and sign-up!

About Roverway 2018

This European large-scale event for around 3.000 Rovers and Rangers aged 16-22 is organised by the European Regions of WAGGGS and WOSM and hosted by Scouting Nederland.

Roverway 2018 will be divided into three parts:

- 1 day for the Opening ceremony in The Hague
- 6 days in small international teams during "Paths" all over Netherlands
- 4 days of activities for all in the Central Camp in Zeewolde.

Roverway takes place from 23 July to 2 August 2018, with the Paths scheduled for 24-29 July.

Explore the [Roverway website](#) to find out more!

WOSM is organising **10 paths** during Roverway, with a programme based on the celebration of the Centenary of Roving. Each path will be led by two WOSM volunteers selected through this call, and one or more Dutch scouts, who will support the leaders with administration, logistics, local knowledge and contacts.

Path leaders should apply in pairs, as each team will be composed of two leaders from the same country, in order to facilitate the communication and coordination in the preparation phase.

We're looking for open-minded, creative and passionate leaders who are enthusiastic about becoming WOSM volunteers and want to contribute to Roverway 2018.

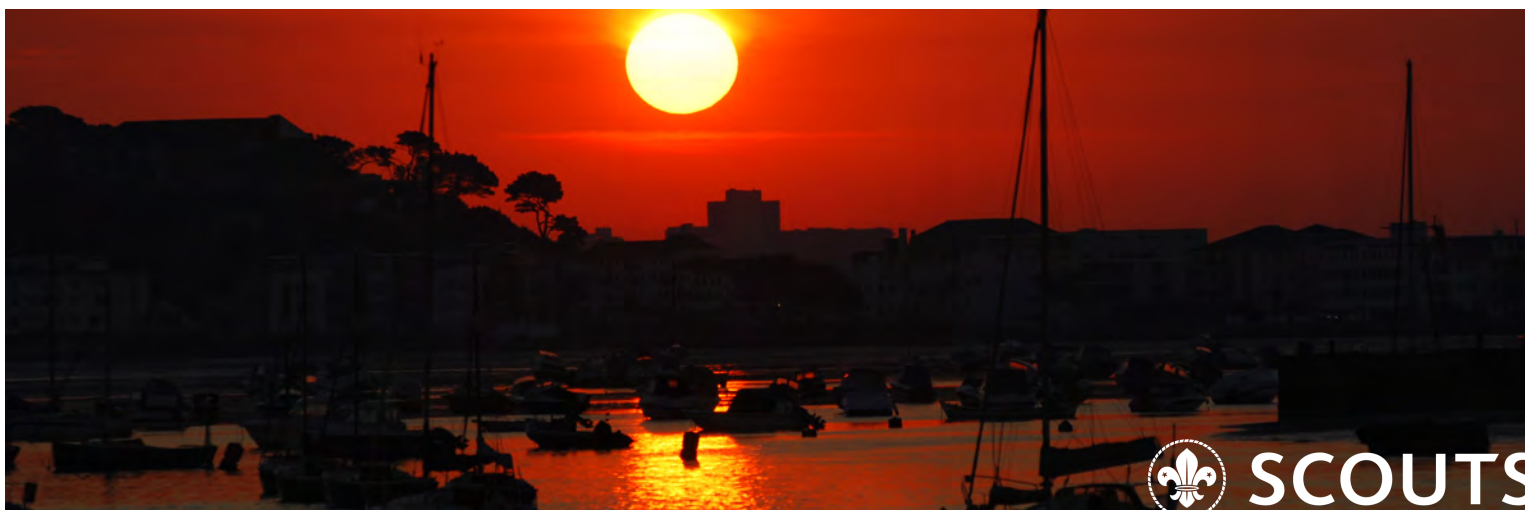

*****All applications need to be approved in advance by your International Commissioner.**
